TO BENEFIT THE

G. MAGNOTTA FOUNDATION
FOR VECTOR-BORNE DISEASES

You're Invited

JOIN US AS WE BRING TOGETHER GUESTS FROM ACROSS ONTARIO
TO ACCELERATE PROGRESS IN LYME DISEASE RESEARCH.

FRIDAY, NOVEMBER 21, 2025 at 6:30 PM

CHATEAU LE JARDIN

8440 Highway 27, Woodbridge, ON L4H 0A7

[DRESS CODE: FORMAL ATTIRE]

The Magic of Icewine

CELEBRATE WINTER AT ITS BEST

Icewine is born from Canada's icy cold winter. Its unmistakable hallmark balance of rich natural sweetness and intense fresh fruit flavour captivates the senses in every imaginable way. We are passionate about Icewine and take great pride in producing exceptional vintages year after year.

We carefully craft our Icewines with grapes from our family's vineyards in the prestigious Niagara Peninsula region.

The frozen skins of our Icewine grapes are used to produce our distinctive **Ice Grappa**™ - a fiery Italian-inspired elixir beautifully tempered by Canada's polar chill.

Tonight is the perfect occasion to experience our irresistible, luscious Icewines and rare, unique Ice Grappas™.

Superb choices for creating special, memorable moments.

MAGNOTTA
WINE • BEER • SPIRITS

Be Our Guest

AN UNFORGETTABLE EVENING CELEBRATING GENEROSITY AND PHILANTHROPY TO SUPPORT THE G. MAGNOTTA FOUNDATION AND THE CRITICAL WORK UNDERWAY AT THE G. MAGNOTTA LYME DISEASE RESEARCH LAB.

- Hosted by **Kevin Frankish**, Communications Specialist, Ontario Shores Centre for Mental Health Sciences
- Live entertainment provided by **DJ Emporium & Golden Live Duo**
- Surprise special guests
- Champagne swing, canapés and hors-d'œuvres, wine and cheese station
- First-class dining experience featuring full-course menu paired with Magnotta's award-winning wines and Icewines, craft beers and spirits

- Grab a drink at the mesmerizing *Ice Ice Bar*
- Drop by the Social Media Lounge sponsored by **Skylar Media** and get snap-happy at our interactive 360° photo booth
- Stay for the late-night sweet and savoury table featuring truffle fries and a chocolate fountain
- Chance to win premium and exclusive raffle prizes, and so much more!

A Canadian television icon, Kevin Frankish co-hosted CityTV Toronto's beloved Breakfast Television for a remarkable 27 years!

DON'T MISS YOUR CHANCE TO WIN PREMIUM AND EXCLUSIVE RAFFLE PRIZES!

ROUND-TRIP FOR TWO TO TUSCANY

DONATED BY   **AIR CANADA**

Experience the beauty and culture of Tuscany with its rolling hills, vineyards, and picturesque towns. This incredible prize includes round-trip airfare for two from Toronto to Rome, Italy, and a one-week stay at a luxurious haven nestled in the renowned Chianti region of Tuscany, within walking distance of the quaint village of Montaione.

A truly charming and captivating bucket list destination.

ROLEX® SUBMARINER DATE WATCH

DONATED BY **ANNA DAMIANI CELI**

A timeless, globally recognized icon steeped in horological significance and unparalleled prestige. The Rolex® Submariner Date Watch is a true diver's watch. Designed with luxurious, durable Oystersteel, and waterproof to a depth of 300 meters, it's equipped with a luminescent dial display to improve visibility in dark environments, and fully functional Cerachrom bezel that allows the diver to accurately monitor their time underwater.

A rare, highly coveted, and collectible timepiece.

ONE-DAY BMW M SCHOOL DRIVER TRAINING IN THERMAL, CALIFORNIA

DONATED BY   **Maranello BMW**

Feel the power, poise, and precision of BMW M vehicles set against the backdrop of Coachella Valley's mountain range in sunny California. Learn to handle high-performance cars, master braking, acceleration, and cornering techniques on a closed track with guidance and feedback from a professional driving instructor. Includes one travel voucher to be used towards the flight cost from Toronto to Palm Springs, California.

A priceless prize for car enthusiasts!

AIR CANADA FULL MOTION FLIGHT SIMULATOR FOR TWO

DONATED BY  **AIR CANADA**

Soar to new heights in the Captain's seat of a state-of-the-art Full Motion Flight Simulator. The fully articulating platform elevates you 50' above the ground in the authentic flight deck of an Airbus A220 jetliner. From takeoff to aerial navigation and landing, an experienced Air Canada Captain will guide you through every exhilarating moment. Push the throttles forward, master precision landings, and navigate realistic weather conditions—all without ever leaving the ground! **This unforgettable adventure of a**

lifetime is not available to the public for purchase.

ABOUT THE G. MAGNOTTA FOUNDATION

Established in 2012 by Rossana Magnotta, co-founder and CEO of Magnotta Winery, the **G. Magnotta Foundation** is the only non-profit organization in Canada with an exclusive focus on generating new knowledge about Lyme disease through scientific investigation. Since its inception, the Foundation's major goal was to establish a research facility dedicated to studying Lyme disease. That goal became a reality in 2017 when the Foundation announced a landmark partnership with the University of Guelph, to establish the **G. Magnotta Lyme Disease Research Lab**, becoming Canada's first dedicated translational Lyme disease research lab, producing results that will lead to better testing, diagnosis and treatment.

G. MAGNOTTA LYME DISEASE RESEARCH LAB

The G. Magnotta Lab is a think tank, an experimental nucleus, a hub for world-class colleagues, and a training ground for the next generation of scientists. It works at the intersection of microbiology and human disease, to tackle clinically-significant challenges related to diagnosis, prognosis, and treatment of Lyme.

OUR TEAM

"I created the Foundation shortly after my husband passed away from the effects of Lyme disease. Over the years it has become a beacon of hope for the countless people who suffer from Lyme every day. I am so proud of our Foundation's fighting spirit as we move forward to tackle and change the way we test, diagnose and treat Lyme patients in Canada."

**- Rossana Magnotta,
CEO, Magnotta Winery
President and Founder,
G. Magnotta Foundation for
Vector-Borne Diseases**

"I have been amazed by the traction we have gained in the short period of time we have been operating. The partnership [between the Foundation and the University of Guelph] has raised the profile of Lyme disease across the country and galvanized the local university community. We are proud to take a lead in patient-centred research."

**- Dr. Melanie Wills,
Director, G. Magnotta
Lyme Disease Research
Lab at the University
of Guelph**

WE NEED TO LISTEN.

We have a quiet epidemic on our hands. And it's only a matter of time before Lyme disease touches your family, your friends, your neighbours, your colleagues. Lyme disease is one of the top 10 most misdiagnosed diseases and it affects Canadians across all provinces. Acquired by a bite from an infected tick, Lyme disease is entirely indiscriminate putting anyone who ventures outside at potential risk.

OUR WORK WILL AFFECT THOSE LIVING IN EXPANDING TICK-ENDEMIC ZONES AND FIND THEMSELVES AT RISK IN THE FUTURE.

WE NEED ADEQUATE TREATMENT.

The lack of effective diagnostic tools means Lyme disease can go undetected in the body for weeks, months or even years. Left undiagnosed, it can attack any part of the body. Untreated or unresolved Lyme is recognized as a cause of disability, mortality and economic burden. Yet, the treatment of chronic disease is controversial. Many Lyme patients leave Canada to get help.

OUR RESEARCH MANDATE IS GIVING A VOICE TO PEOPLE WHO HAVE FELT MARGINALIZED FOR A VERY LONG TIME.

LYME DISEASE IS HERE. WE ARE NOT READY.

Scan to
learn more

WE NEED RELIABLE TESTING.

Canada's test for Lyme disease is outdated and inadequate leading to an unacceptably high number of false negative results. There is no approved test that detects active infections. Without a reliable diagnostic tool, clinical doors close leaving patients to suffer for months or years without any real answers.

OUR AIM IS TO DEVELOP BETTER LAB TESTS FOR LYME THAT ELIMINATE DIAGNOSTIC UNCERTAINTY.

SCIENCE IS OUR ONLY WEAPON.

Our research team at the G. Magnotta Lyme Disease Research Lab is dedicated to studying Lyme bacteria and the mechanisms of the disease in the human body. United by one common goal, to combat Lyme and related diseases, our lab has a unique opportunity to bridge the divide between the patient and medical communities.

THE END GOAL IS TO IMPROVE LIFE.

THE G. MAGNOTTA FOUNDATION IS A SYMBOL OF HOPE, COMPASSION AND CHANGE TO THOUSANDS OF CANADIAN LYME DISEASE PATIENTS. WE ARE THE ONLY NON-PROFIT ORGANIZATION IN CANADA FOCUSED ON GENERATING NEW KNOWLEDGE ABOUT LYME DISEASE THROUGH SCIENTIFIC INVESTIGATION.

SPONSORSHIP OPPORTUNITIES

The G. Magnotta Foundation is virtually an expense-free Foundation. 98% of donations received and dollars raised go directly to the G. Magnotta Lyme Disease Research Lab. Support our research and help us change the Lyme disease landscape in Canada.

The Changemaker

2 PACKAGES SOLD!

\$50,000

THIS PACKAGE OFFERS THE HIGHEST LEVEL OF VISIBILITY AND ENGAGEMENT WITH ATTENDEES.

EVENT BENEFITS

- Premium VIP seating for 14 guests
- Private limo service to and from the venue
- Dedicated waiter during dinner
