# APPLE *Brandy*

MADE IN THE  
FRENCH-INSPIRED STYLE

## *How It's Made*

We begin with our premium Iced Cider made with Golden Delicious and McIntosh apples from Ontario farms. The sweet nectar is aged and blended with apple cider and then double distilled into a fiery eau de vie before maturing for over eight years in American Oak barrels that have been used to vinify some of our finest Ontario wines.

ITS COMPLEXITY AND LONG SMOOTH FINISH COME FROM  
THE PATIENT TIME SPENT IN BARRELS AT CASK STRENGTH.

## *How To Enjoy*

Superb when served neat, over the rocks or added as a twist to classic drinks like an Old Fashioned or Hot Toddy. Choose it as a substitute for whisky in your favourite cocktail. Sublime with well-aged cheeses.

500ml • 40% alc./vol.
